

# OCTOBER VIBES!!

**GR 8 & JR 1 & 2  
(CBSE & IGCSE)**

# Examinations !!

Exams are the way to find out the real skills, talents and knowledge of the students.

The half yearly exam for CBSE was conducted from 7th to 16th October, while IGCSE sat for their Formative Assessment 1 from the 14<sup>th</sup> to 23<sup>rd</sup> Oct.

All students engaged with much enthusiasm and dedication to showcase their skills and learning outcomes .

# WORLD FOOD DAY

*World Food Day*

World Food Day is observed across the globe on October 16 every year with an aim to eliminate malnutrition and starvation.

We, students of OOF Junior school celebrated the day by sharing food with friends and others.

Teachers shared the importance of providing healthy diets for a zero hunger world. We also sang songs that highlighted the importance of good food and how to take action to end food insecurity at home and outside.

Diwali is known as the “Festival of Lights.” OOF CBSE Grade 1 and 2 celebrated Diwali with festive gusto.

The day started with a special class assembly where teachers and students shared the significance of the festival. They decorated their classes with paper lamps and lanterns.

They also made cards and shared sweets with the school headmistress, the section supervisor and others in school.

# UN DAY

United Nations Day is the birthday of the Organization, celebrated on the 24<sup>th</sup> of October.

We, Junior School, observed the day on a small scale by discussing and exhibiting its importance in the form of art and craft.

The Junior School is organizing a massive event to celebrate the same in the near future.

# THINK PINK

29<sup>th</sup> Oct 2019

The day's objective and intention was to mark the solidarity and to raise awareness to reduce the stigma of Breast Cancer through education.

The whole section was dressed in pink. The program was conducted on the playground, where the formation of the pink ribbon was witnessed.

The CEO of our school was the chief guest. The principal, Ms. Saleema Mahmoodi, the headmistress - Ms. Dorett Watt, P.A.B. members and the supervisors inaugurated the ceremony by cutting a cake and releasing pink balloons to represent the objective of the day.

# PINK TREE

29<sup>th</sup> Oct 2019

Pink ribbon trees were drawn and coloured on the school walls by Junior School students, to honour the victims of breast cancer.

Dr. Nabban, the CEO, Mr. Shabbir Raja, the Financial director of the school and the headmistress, Ms Dorett Watt initiated the ceremony by painting pink ribbons on the trees.

The trees represent life and the pink ribbons represent action, awareness, survivorship, and the memory of those who lost their battle to the deadly disease.

We, teachers of Junior School, make sure that students engage in tons of effective learning activities. We believe students learn better when learning is fun. The required curriculum is delivered to the students through interesting and relatable activities.

**Learning is FUN in the JR School!!**

**Looking  
forward for  
an exciting  
November!!!**
