Message from Honourable Principal Mr. Syed Tahir Ali

Dear Parents, Guardians, and Students,

At Our Own English High School Fujairah, we have always been pioneers in fostering education by encouraging creative thinking using technology and innovation. In the current term, we witnessed remarkable achievements through events

The last three months were filled with a fantastic array of classroom activities, competitions, and joyful celebrations. Our students immersed themselves in the educational process, revelling in the enriching experiences offered here at Our Own. From World Cultural Diversity Day, , World Biodiversity Day, World Environment Day, Mother's Day and Father's Day celebrations, each event added vibrant colours to the fabric of Our Own.

As we reflect on the past term, we are filled with pride for our students' remarkable accomplishments. Their enthusiastic participation exemplifies the spirit of Our Own English High School. We remain dedicated to providing a nurturing environment that embraces technology as a catalyst for igniting creativity in every student. We will continue to support our students for their overall growth by providing many more challenging platforms.

Thank you for your continued support. Let us look forward to an equally exciting academic year ahead!

Best regards,
Syed Tahir Ali
Principal

Message from Honourable Headmaster Mr. Bassam Al Koussi

Dear Parents, students, and staff,

It is hard to believe that another year has passed so quickly; June is almost over, and we are saying so long to our students, staff, and parents. A fantastic year filled with events that have brought us closer together. Despite challenges, it has been a very rewarding year. We could not offer such a rich education to our students without the continuing effort and support that you all give.

We highly appreciate the continuous care of HIS HIGHNESS SHEIKH ABDULLAH BIN HAMAD BIN SAIF AL SHARQI. At our school, we are fortunate to have a hard-working, caring, and dedicated team represented by Management members, administrators, supervisors, teachers, teaching assistants and support staff, who collaborate tirelessly to ensure that every student gets the best experience possible.

Alongside this, our students deserve recognition for their passion for learning. Thank you, dear parents, for the support and partnership of our fantastic parental community. Your genuine interest in your child's education is evident and the students ultimately benefit.

To the families and students who are leaving us, we wish you all the best in your future destinations. For our returning students and their families, we look forward to welcoming you back on Monday 28th August with enthusiasm and eagerness to have a fresh and successful new academic year 2023-2024.

We wish you all a safe, relaxing, enjoyable, and rewarding summer vacation. Hopefully, we will all get the opportunity to spend quality time with family and friends and come back to school with a sense of rejuvenation.

Respectfully and with gratitude,
Headmaster
Bassam Nasse

Message from Head of Section, Ms. Diba Siddique

Greetings with Every Good wish,

This is to my very dear students, our school fraternity and parents' fraternity.

Our heartfelt gratitude to our honourable Chairman HIS HIGHNESS SHEIKH ABDULLAH BIN HAMAD BIN SAIF AL SHARQI under whose aegis our school is blooming.

Sincere Thanks to the honourable Management, Principal and Headmaster.

My note in words will be an understatement for the grandeur and zest achieved for the end of academic year IGCSE and end of term for CBSE.

Indeed, sweet fruits were reaped with such hard work and perseverance of my students and teachers.

I thank my wonderful team for their charm and diligence towards their profession.

Wishing the entire Our Own Family and very meaningful, restful, and contented Summer Break.

Keep Safe,
Enjoy,

CELEBRATIONS

OPEN HOUSE

The Open House was held on 4th May 2023 for all the CBSE sections KG1-12, in the school campus. This was held from 2:00 p.m. to 3:30 p.m. The event witnessed very good attendance in most of the sections.

LEMONADE DAY

Our Own English High School, Early Years conducted 'Lemonade Day' on 12th May 2023. Lemonade Day is a project-based learning opportunity for kindergarten students. It provides hands-on experience with entrepreneurship, financial literacy, and community engagement, Effective communication and Interpersonal skills.

LEMONADE DAY

LEMONADE DAY

MOTHER'S DAY

Our Own English High School , Junior school celebrated Mother's day on the 15th of May. 2023. Mother's Day was a celebration honouring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society.

The mothers who witnessed the celebration enjoyed taking part in different activities.

MOTHER'S DAY

MOTHER'S DAY

KG- PARENT TEACHER MEETING

A Kindergarten parent-teacher meeting, held on 24th May was a great opportunity to facilitate communication and collaboration between parents and teachers, allowing them to discuss the child's academic progress, social development, and any concerns or questions that either party may have.

WORLD HAND HYGIENE DAY

Our Own English High School, Early Years conducted 'World Hand Hygiene Day' on 5th May 2023. It was conducted to raise awareness on hygiene which is equally important in preventing diseases and protecting our health.

INTERNATIONAL DIVERSITY DAY

Our Own English High School, EYFS celebrated World Diversity Day to raise awareness about the benefits of cultural diversity and emphasize the need for dialogue and understanding among different cultures and communities. It recognizes that diversity is a fundamental asset for sustainable development and contributes to building inclusive societies, fostering economic growth, and promoting peace and stability.

INTERNATIONAL DIVERSITY DAY

EXPRESSIVE ART DAY

Junior school students celebrated Expressive Arts and design day on 26th May 2023.

The activities were puppet play and fine arts. Students brought their favourite soft toys or puppets and conducted puppet play. They narrated stories and spoke about the characters they were portraying with their puppets. It was a fun and riveting experience for the children as they watched their friends portray different characters with different puppets and toys. There was a myriad of colours from the different puppets and fine arts. Children were very happy to portray their favourite characters and narrated stories. They were enraptured by the storytelling and puppets. Students were engrossed in fine arts after the puppet play. They had a choice of sketching, colouring or doodling. Children were very happy with the activities overall.

WORLD ENVIRONMENT DAY

DAY

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. The focus of the program is to give awareness to people about keeping the environment clean and safe from plastic pollution. Students at Our Own English High School Junior department actively participated and celebrated “World Environment Day” on June 2, 2023.

WORLD ENVIRONMENT DAY

INTERNATIONAL OCEAN DAY

DAY

World Oceans Day is a global observance celebrated annually on June 8th to spread awareness about the importance of oceans in our lives. We celebrate World Ocean Day to remind everyone the major role of the oceans that we have in everyday life. Oceans are the lungs of our planet, providing most of the oxygen we breathe. The ocean produces at least 50% of the planet's oxygen.

Junior School , CBSE & IGCSE celebrated the World Oceans Day on 2nd June 2023. The students raised their awareness about the crucial role that oceans play in sustaining life on our planet and to promote the conservation and protection of our ocean resources. The event and activities of the celebration started with Sea Habitat models and craft art of colourful crepe paper Jelly fish. Teachers imparted knowledge about the devastating effects of marine pollution and shed light to prevent further harm to our oceans.
